Amar:

Each year several very special men and women are chosen to be inducted by the Ontario Hostelry Institute at the gala Gold Awards Dinner as FELLOWS of the INSTITUTE.

Your name has been put forward as a FELLOW this year.

Congratulations!

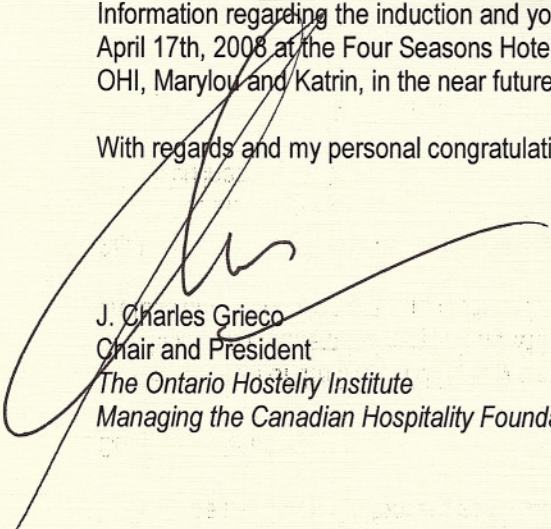

The FELLOWS of the INSTITUTE fully exemplify men and women whose contributions to the culinary, hospitality and tourism industry, along with their personal and industry achievements and their dedication to professional education are unquestioned.

Such men and women best demonstrate excellence and personal professionalism and an unwavering support of industry-specific training and professional institutional education that forms the foundation of a formal culinary, hospitality and tourism education that is the basis of life-long careers.

Your professional achievements, dedication and contributions to the culinary, beverage, hospitality and tourism industry makes you particularly qualified to join a growing cohort of men and women who have been so honoured as FELLOWS of the INSTITUTE.

Information regarding the induction and your involvement at the gala Gold Awards Dinner on the evening of April 17th, 2008 at the Four Seasons Hotel will be sent to you by the staff of the OHI, Marylou and Katrin, in the near future.

With regards and my personal congratulations,
